March 2003

Dear Clifford Russell Kettemborough:

Congratulations! Because of the reference value of your outstanding achievements, the editors of Marquis Who's Who® have selected your biographical profile for inclusion in the forthcoming 7th Edition of **Who's Who in Science and Engineering®**.

Who's Who in Science and Engineering is found in the collections of many of the world's leading libraries, where it has become a universal reference tool for journalists, recruiters, researchers, associations, business people, government and media, to name but a few. **Who's Who in Science and Engineering** includes the most current biographical data available on today's most influential scientific and engineering professionals from around the world.

Should a question arise concerning your biography, it is important that our research editors be able to contact you. Therefore, we ask that you provide a telephone number and e-mail address (if you have not provided this already) where you can be reached during the day. If you provide an e-mail address, please indicate whether or not you would like us to suppress it from publication. Telephone numbers will not be published.

This is the best time to reserve your copy (or copies) of the new 7th Edition of **Who's Who in Science and Engineering** at a special pre-publication savings of over 35% off the regular reference market price! With your order you will receive a complimentary Certificate of Recognition inscribed with your name. Simply indicate your preferences on the enclosed Reservation Form.

Please return your signed galley proof within 10 days of receipt in the enclosed envelope whether or not you are making changes to your biography.

On behalf of the entire Marquis editorial staff, I wish you continued success in all your endeavors.

Sincerely,

Eileen Fanning
Managing Editor
