Thank you for your wonderful presentation at the Torrance open house. We have you to thank for the additional enrollees after the open house.

You must teach us how to use the media cart - you are the first person I have actually witnessed - using that machinery!

Also thank you for consenting to speak at our Burbank open house. You are much appreciated!

Cliff,

Cliff,

Thanks for joining in our Orange County Dedication ceremonies to share in our celebration. Hope to see you teaching at our new center soon.

Thanks Again!
